CAST OF CHARACTERS

DAN, a gay man.

ROBYN, a straight woman.

STEFAN, a super hot hunk from Eastern Europe.

The play is set at a local university auditorium where the Contemporary Literature Department holds its monthly meet the authors series - Rendezvous with Alternative Authors of the Modern Era.

The time is the present.

STEFAN - Side #1

Once the audience has found their seats and we are ready to begin, the music and house lights fade down. Stefan, the stage assistant for this meet the authors series, enters. Stefan is of Eastern European descent. His English is far from perfect and heavily accented. He is excited to be addressing an audience.

STEFAN

Hello. Is very nice to see you. Please close the cell phone ringing. Thank you. Next, remove the wrapper from the candy.

(Unassumingly sexy.)

Softly. Slowly.

He waits a brief second for the audience to do so.

Exit is there and here. If something very bad happen, do not cry. I will save your life. Now, please to welcome the moderator for discussion, Professor Marilyn Branecki...

Stefan backs away toward stage right, gesturing for Prof. Branecki to enter stage left. Meanwhile, we see Robyn's hand pop through the curtain as we hear her mumbling and fiddling with trying to get through. Stefan has turned to exit just as Robyn finally pops through. They bump into each other. Their eyes meet. Robyn wears glasses, conservative clothes, carries a clipboard of some sort, and overall appears to be very studious yet somewhat frazzled.

STEFAN

Miss Brown?

Stefan. ROBYN

Everything ok? STEFAN

Robyn gives him a sad look and then without saying anything she moves center stage slowly.

ROBYN
Hello, my name is Robyn Brown. I am the senior teaching fellow under Professor Branecki, who, I have just been informed, passed away earlier today.

STEFAN
Professor Branecki...

ROBYN
She died peacefully, during her afternoon nap. May she read in peace.

STEFAN
What now...?

ROBYN
The Dean left me a message saying the position is mine...

STEFAN
(Getting excited.)
You deserve it Miss Brown.

ROBYN
...as long as I can successfully moderate tonight's meet the authors forum...

STEFAN
(Encouraging her.)
You can do it Miss Brown.

ROBYN
There's just one thing. I don't know what book we're discussing.

STEFAN
Oh.

*He grabs the book from the table
and hands it to her.*

Here.

ROBYN

(Mumbling.)

Sextips...sextipsfor...sextipsforstraightwomenfromagayman.

DAN (OFFSTAGE)

Stefan!!!!!! Places!!!!!!

Stefan looks startled, fearful.

ROBYN

Um...is that?

STEFAN

(Rocking back and forth.)

Mmmmm hmmm...

ROBYN

Why is the author telling you places?

STEFAN

(Whispering.)

He tell me he is not just an author.

ROBYN

(Whispering back to him.)

What is he?

STEFAN

(Whispering.)

An artist.

DAN O.S.

STEFAN!!!!!!

STEFAN

Gotta go.

*Stefan goes to exit. He turns
back.*

Miss Brown?

ROBYN

Yes?

STEFAN

(Encouraging and sultry at the
same time.)

I believe. In you.

Stefan exits.

STEFAN - Side #2

DAN
You agreed/

ROBYN
I did not agree to this.

Suddenly, Stefan enters through the SL curtain.

STEFAN
Guys!

Robyn and Dan stop fighting and turn their heads toward Stefan.

I can do it.

Audience likely applauds. Stefan smiles broadly.

ROBYN
Stefan, you are not a stripper.

STEFAN
No, I am scientist.

Sensing the audience is mystified, Stefan continues to share more about himself as he slowly walks center stage while addressing the crowd...

You see, I come to America, working with university to revolutionize supersonic travel over galaxies far, far away. Has been my dream to reach outer space ever since I was a teeny tiny baby Stefan. This is side job.

Stefan is now standing center stage, between Robyn and Dan.

ROBYN

Which is why you are NOT going to be a model.

As Robyn says this, she jokingly points the muscle scanner in front of Stefan's body. It beeps as before.

ROBYN (CONT'D)

Doh! How do you turn this thing off?

STEFAN

Here.

Stefan takes it and calmly turns it off.

STEFAN (CONT'D)

Miss Brown? Your dress. I like.

ROBYN

Thank you.

STEFAN

(Starring at her intently.)

I am welcome.

(Looking at the muscle scanner.)

I never see such device.

DAN

Do you want to try it out?

ROBYN

No he doesn't.

DAN

He doesn't have to be the model, but just for fun.

STEFAN

I like fun.

STEFAN - Side #3

ROBYN

My fellow readers, what I find interesting is simply by manipulating his Mr. Stiffy in a manner unlike that which he can do to himself, you are providing a surprising and therefore satisfying sensation.

STEFAN

(Surprisingly fluent.)

The element of surprise, just as it has proven to be in all great works of literature, is a potent tool in the bedroom as well.

*Stefan gets close to Robyn.
Throughout the following their
eyes remain locked.*

ROBYN

Well said, Stefan. Thank you.

Stefan steps in even closer.

STEFAN

I am welcome.

*Stefan goes in for a kiss. Robyn
pulls away.*

ROBYN

Stefan!

*Robyn crosses downstage away from
Stefan. She is stunned,
speechless, slightly turned on,
and embarrassed all at once.*

STEFAN

Oh. I thought...

ROBYN

(Shutting him down without
even looking at him.)

I am going to pretend that did not just happen.

STEFAN

Oh. I uh...I go back to lights and sound.
